

# I SAW HER STANDING THERE THE BEATLES Mode D

Well she was just seventeen and you know what I mean

And the way she looked was way beyond compare

So how could I dance with another oh,

when I saw her standing there

Well she looked at me and I, I could see

That before too long I'd fall in love with her

She wouldn't dance with another

Oh, when I saw her standing there

Well my heart went boom when I crossed that room

and I held her hand in mine

Well we danced through the night

and we held each other tight

And before too long I fell in love with her

Now I'll never dance with another

Oh, since I saw her standing there
