

**BETTER BE HOME SOON**  
**(Crowded House)**

**C**                    **Am**                    **Em7**    **G**  
Somewhere deep inside, something's got a hold on you  
                  **C**            **Am**                    **Em7**    **G**  
And it's pushing me aside, see it stretch on forever  
                  **C**            **C7**                            **F**  
And I know I'm right, for the first time in my life.  
                  **G**                                    **C**    **G** (**G/B**)  
That's why I tell you, you'd better be home soon.

**C**                    **Am**                    **Em**    **G**  
Stipping back the coats of lies and deception  
**C**                    **Am**                    **Em**    **G**  
Back to nothingness like a week in the desert  
                  **C**            **C7**                            **F**  
And I know I'm right, for the first time in my life.  
                  **G**                                    **C**    **G** (**G/B**)  
That's why I tell you, you'd better be home soon.

**Bb**            **D**                            **G**  
Don't say no, don't say nothing's wrong  
**Bb**                                    **A7**                            **D**  
'Cause when you get back home maybe I'll be gone.  
**C**  
Oh no no no ...    **Am - Em - G - C - Am - Em - F - F - Bb - Bb**

**C**                    **Am**                    **Em**    **G**  
It would cause me pain    if you were to end it

**C**                    **Am**                    **Em**    **G**  
But I could start again    you can depend on it

**C**                    **C7**                    **F**  
I know I'm right..... for the firts time in my life

**G**                    **Am**  
That's why I tell you you better be home soon

**D**                    **F**                    **G**                    **C**  
That's why I tell you you better be home soon
