There's a sad, sad thing about life today
 I've been crying for this, more than I should say
 I don't want to be alone

I've been broken, robbed and left to beg
 For a home where I know I could stay

I don't want to

be alone.

Oooh, the only thing I need is a place that

Feels like hooooooooome
 That feels like hooooooooome, 'cause I'm alone

That feels like hooooooooome
 That feels like hooooooooome, 'cause I'm alone

Hey

There's a sad, sad thing about life today

I can't live with it, I only feel afraid

I don't want to be alone

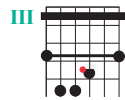

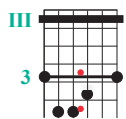

It seems sad but you know it's all the same

If I don't do something I'll feel ashamed

I don't want to

be alone.

Oooh, the only thing I need is a place that

Feels like hooooooooome

That feels like hooooooooome, 'cause I'm alone

That feels like hooooooooome

That feels like hooooooooome, 'cause I'm alone

Heyyyy Hey
