Lyrics

Verse 1
Hey fellas, have you heard the news? You know that Annie's back in town.
It won't take long, just watch and see, the fellas lay their money down.
Her style is new but the face is the same as it was so long ago,
But from her eyes a different smile, like that of one who knows.

Verse 2
Well, it's been ten years or maybe more since I first set eyes on you.
The best years of my life go by, here I am alone and blue.
Some people cry and some people die by the wicked ways of love,
But I just keep on rollin' along with the grace from the Lord above.

Bridge
People talkin' all around 'bout the way you left me flat.
I don't care what the people say, I know where their jive is at.
One thing I do have on my mind, if you can clarify, please do.
It's the way you call me another guy's name when I try to make love to you, yeah.
I try to make love, it ain't no use, a-give it to me, a-give it.

Verse 3
Mmm, I work so hard, I can't unwind, get some money saved.
Abuse my love a thousand times however hard I try.
Heartbreaker, your time has come, can't take your evil ways.
Go away, heartbreaker. Heartbreaker. Heartbreaker. Heart.
