I Won't Give Up - Jason Mraz

When I look into your eyes, It's like watching the night sky

Or a beautiful sunrise, There's so much they hold

And just like them old stars, I see that you've come so far

To be right where you are, How old is your soul?

I won't give up on us, Even if the skies get rough

I'm giving you all my love, I'm still looking up

And when you're needing your space, To do some navigating

I'll be here patiently waiting, To see what you find

'Cause even the stars they burn, Some even fall to the earth

We've got a lot to learn, God knows we're worth it

No, I won't give up

I don't wanna be someone who walks away so easily,

I'm here to stay and make the difference that I can make

Our differences they do a lot to teach us how to use,

The tools and gifts we got yeah, we got a lot at stake

D  
And in the end, you're still my friend at least we did intend

For us to work we didn't break, we didn't burn

B/D# We had to learn how to bend without the world caving in

D I had to learn what I've got, and what I'm not And who I am
