Lady in red – Chris The Burgh

Intro: G

I've never seen you looking so lovely as you did tonight,

I've never seen you shine so bright, m m m m.

I've never seen so many men ask you if you wanted to dance,

They're looking for a little romance, given half a chance,

And I have never seen that dress you're wearing,

Or the highlights in your hair that catch your eyes,

I have been blind,

The lady in red is dancing with me, cheek to cheek,

There's nobody here, it's just you and me, it's where I want to be,

But I hardly know this beauty by my side,

I'll never forget the way you look tonight,
