 Her lie, It's bigger, It's bigger, you.  
 You are not me, the links that I will go to  
 The distance in your eye, oh, no, I said too much  
 I said it all, that's me in the corner  
 That's me in the spot light, loosing my religion  
 Trying to keep, all you, and I don't know, if I can do it  
 Oh, no, I said too much, I haven't said enough.

REFRAIN: I thought that I've heard you laughing  
 I thought that I've heard you sing  
 I think I thought that I saw you try.

Every wisper, every waking hour, I'm choosing my confession  
 Trying to keep eye on you, like a hurt lost blind, for, for  
 Oh no I said too much, I said enough  
 Consider this, consider this, head down on century  
 Consider this swell, brought me to my knees, pay ho  
 What if fall use spenency's come, fading brown, now I said too much.

REFRAIN: I thought that I've heard you laughing  
 I thought that I've heard you sing  
 I think I thought that I saw you try.
