Every night I'm lying in bed

F/A... %
Holding you close in my dreams

Cmaj... %
Thinking about all the things that we said

F/A... %
And coming apart at the seams

Em7 Dm7 Em7 G4
We try to talk it over, But the words come out too rough

Cmaj...
I know you were trying

F/A... Cmaj... Fill -1-
To give me the best of your love

Cmaj... %
Beautiful faces and loud empty places

F/A... %
Look at the way that we live

Cmaj... %
Wasting our time on cheap talk and wine

F/A... %
Left us so little to give

Em7 Dm7
That same old crowd was like a cold dark cloud

Em7 Dm7 Fill -2-
That we could never rise above

Cmaj... F/A... Cmaj...
But here in my heart I give you the best of my love
