D

I wanna run, I want to hide

G

I wanna tear down the walls that hold me inside

Bm

I wanna reach out

A

And touch the flame

Csus9

Where the streets have no name. Ha, ha all right.

D

I wanna feel, sunlight on my face

G

See that dust cloud disappear without a trace

Bm

A

I wanna take shelter from the poison rain

Csus9

Where the streets have no name, ho

D

Where the streets have no name

D

Where the streets have no name

G

We're still building then burning down love, burning down love

Bm

A

And when I go there, I go there with you

D

It's all I can do

D

The city's a flood, and our love turns to rust

G

We're beaten and blown by the wind, trampled in dust

Bm

A

I'll show you a place high on a desert plain, yeah

Csus9

Where the streets have no name, ah hi
