How many years can a mountain exist Before it's washed to the sea?

How many years can some people exist Before they're allowed to be free?

How many times can a man turn his head and pretend that he just doesn't see?

The answer, my friend, is blowin' in the wind,

The answer is blowin' in the wind

How many times must a man look up Before he can see the sky?

How many ears must one man have Before he can hear people cry?

How many deaths will it take till he knows That too many people have died?

The answer, my friend, is blowin' in the wind,

The answer is blowin' in the wind.
