G D Em C2

The dawn is breaking  
Em C2

A light shining through  
G D Em C2  
You're barely waking and I'm tangled up in you  
Yeah

G D  
I'm open, you're closed  
Em C2  
where I follow, you'll go  
G D Em C2  
I worry I won't see your face Light up again

chorus

G D  
Even the best fall down sometimes  
Em C2  
Even the wrong words seem to rhyme  
G D  
Out of the doubt that fills my mind  
Em C2 G  
I somehow find You and I collide D Em C2
