

# CRYING

Roy Orbison

D  
 I was all right for a while, I could smile for a while  
 But when I saw you last night, you help my hand so tight **Daug**  
 When you stopped to say " HELLO " **G Gm**  
 And though you wishes me well, you couldn't tell **D A7**  
 That I've been crying over you **D F#m**  
 Crying over you **D F#m**  
 Then you said so long **G A7**  
 Left me standing all alone **G A7**  
 Alone and crying, crying, crying, crying **D Daug G Gm**  
 It's hard to understand **D**  
 That the touch of your hand, can start me crying **A7 D**

*Daug*

*Gm*

D  
 I thought that I was over you, but it's true, so true  
 I love you even more, then I did before **Daug**  
 But darling what can I do **G Gm**  
 For you don't love me, and I'll always be **D A7**  
 Crying over, crying over you **D F#m D F#m**  
 Yes now you're gone **G A7**  
 And from this moment on **G A7**  
 I'll be crying, crying, crying, crying **D Daug G Gm**  
 I'm crying, crying over you. **D Bm G A7 | D A7 | D G | D**
