

Different Day - State of Shock

Can I trust you'll go away, If I'm to say, I'm okay  
 Just let me bleed on my own, And I will find my way home  
 Cause the sad sad side of it all, Is you don't remember  
 Being a breath away from death, The sad sad side of it all

And maybe, on a different day

I'd let the rain, wash this away, But it's just too late

The sad sad side of it all

Is you don't remember

This key cannot be re-cut, Cause my hearts been sealed shut  
 And if our paths cross again, I'll turn and walk away  
 Cause the sad sad side of it all, Is you don't remember  
 Being a breath away from death, The sad sad side of it all

| G | D | Em D/F# |

And maybe, on a different day

I'd share the blame I'd share the pain, But it's just too late

And maybe, on a different day

I'd let the rain wash this away, But it's just too late

The sad sad side of it all, Is you don't remember

Being a breath away from death, The sad sad side of it all
