

Every Part Of Me - Sam Roberts

Intro A^6 | G | A^6 | G

A^6 G
We, We were always on the run

A^6 G
From that old witch up the street

G A^6
In the days when I was young

A^6 G
Ride, Ride our bikes on into town

A^6 G
For some hockey cards and whatever trouble may be found

A G D G | A G |
I can never bring them back But those days remain inside the very heart of me

A G D G | A G |
My memories are white and black But the song's the same It plays in every part of me

A
 A^6 G
Down, Down was only a direction

A^6 G
And sad, Sad was only on TV

A^6 G
And I had faith and I had protection

A G D G | A G |
I can never bring them back But those days remain inside the very heart of me

A G D G | A G | A |
My memories are white and black But the song's the same It plays in every part of me

A D A G A
I still look back The summer sun shining A light was always shining on me

D A G
I was gone with the feel of her lips On my very first kiss

A D A
And it seems so long since I left it all behind

G G
In the back of my mind, in the back of my mind
