Everything Changes – Staind

E   %
If you just walked away
A^2 %
What could I really say?
    C#m   %
would it matter anyway?

   A^2 %
would it change how you feel?

E   %
I am the mess you chose
    A^2 %
the closet you can not close
     C#m   %
The devil in you I suppose
     A ^{2} %
'cuz the wounds never heal

E   %
But everything changes
    A^2 %
if I could turn back the years
     C#m   %
If you could learn to forgive me
    A^2 %
then I could learn to feel

E   %   A^2 %
Sometimes the things I say, In moments of disarray
    C#m   %   A^2 %
Succumbing to the games we play, To make sure that it's real

E   %
But everything changes
    A   %
if I could turn back the years
     C#m   %
If you could learn to forgive me
    A^2 %
then I could learn to feel

         E      %           A2      %.
When it's just me and you, Who knows what we could do
         C#m          %.              A2      %
If we can just make it through, through this part of the day

              E           %.
              But everything changes
                 A2          %.
              if I could turn back the years
                 C#m             %.
              If you could learn to forgive me
                 A2           %.
              then I could learn to feel

Then we could
C#m           %.
Stay here together, And we could
A2            %.
Conquer the world, If we could
C#m         %.
Say that forever
        A2          %.
It's more than just a word

         E    %.           A2   %.
If you just walked away,  What could I really say?
         C#m      %.       A2
It wouldn't matter anyway
