

Happy – Nevershoutnever

You make me happy

Whether you know it or not, We should be happy

That's what I said from the start I am so happy

Knowing you are the one that i want for the rest of my days.

For the rest of my days.

Yeah all of my days.

You're lookin' so cool

You're lookin' so fly, I cant deny that when

I'm staring you down and dead in the eye

I wanna try to be the person you want, the person you need

its hard to conceive

that somebody like you could be

with someone like me

I'm happy knowing that you are mine

The grass is greener on the other side

The more I think, the more i wish

That we could lay here for hours and just reminisce.

oo oo

You're looking so fresh

Its catching my eye!

Why, oh why did i not see this before

The girl I adore was right in front of me

And now I'll take a step back and look in your eye

And ask why it took so long to see

we're meant to be.

I'm happy knowing that you are mine

The grass is greener on the other side

The more I think, the more i wish

That we could lay here for hours and just reminisce.

on the good, the bad, the ugly

G

The smiles, the laughs, the funny

All the things we put each other through

Its for you, for you, for you!

You make me happy

Whether you know it or not

We should be happy

That's what I said from the start

I am so happy

Knowing you are the one that i want for the rest of my days.

For the rest of my days

I'm happy knowing that you are mine

The grass is greener on the other side

The more I think, the more i wish

That we could lay here for hours and just reminisce.
