A hero of war, Yeah that's what I'll be	
And when I come home, They'll be damn proud of me	
I'll carry this flag, To the grave if I must	
Because it's flag that I love, And a flag that I trust	
I bished in the days I will also were	
I kicked in the door, I yelled my commands	
The children, they cried, But I got my man	
We took him away, A bag over his face	
From his family and his friends	

A hero of war, Yeah that's what I'll be  And when I come home, They'll be damn proud of me  And when I come home, They'll be damn proud of me  And when I come home, They'll be damn proud of me  And I fired away  E  And I fired away  And I brought home that flag, Now it gathers dust  But it's a flag that I love, It's the only flag I trust		F.
