Step one you say we need to talk, He walks you say sit down it's just a talk

F C/E F/G C/E
He smiles politely back at you, You stare politely right on through

F C/E F/G C/E
Some sort of window to your right, As he goes left and you stay right

F C/E F/G C/E
Between the lines of fear and blame, And you begin to wonder why you came

Bb C Dm
Where did I go wrong, I lost a friend

C/E
Somewhere along in the bitterness

Bb C Dm
And I would have stayed up with you all night

Had I known how to save a life

F C/E F/G C/E
Let him know that you know best, Cause after all you do know best

F C/E F/G C/E
Try to slip past his defense, Without granting innocence

F C/E F/G C/E
Lay down a list of what is wrong, The things you've told him all along

F C/E F/G C/E
And pray to God he hears you. And pray to God he hears you

Bb C Dm
Where did I go wrong, I lost a friend

Somewhere along in the bitterness

And I would have stayed up with you all night

As he begins to raise his voice, You lower yours and grant him one last choice

F C/E F/G C/E
Drive until you lose the road, Or break with the ones you've followed

 He will do one of two things, He will admit to everything
