G B<sup>b</sup> F D - - -

I can't stand the rain

Against my window

Bringing back sweet memories

I can't stand the rain

Against my window

Because here's not here with me

Hey window pane

Tell me do you remember

How sweet it used to be

When we were together

Everything was so grand

Now that we've parted

There's just one sound

That I just can't stand

I can't stand the rain

Against my window

Bringing back sweet memories

I can't stand the rain

Against my window

Because here's not here with me

When we were together

Everything was so grand

Now that we've parted

There's just one sound

That I just can't stand
