

Lonely – Matt Boggs

capo III | G | Am | C | G |

G Am
The sun is coming up, Rise and beautiful

C G
And still something wrong

G Am
'Cause the house is empty, No more beautiful

C G
No one around

Em
She's gone and I'll be alright

C
It's gonna make it through the night

Am
More to come start to loose

C
Not alone without you

G Am C G
And it's got to be lonely, No one and lonely, Leaves you alone

G Am C G
Now I'm just waiting, You to be sayin' You're coming home

Solo: | G | Am | C | G |

G Am
Fire up my kind, I need to forget you but

C G
Still something wrong

G Am
I'm traveling through downtown, Got my No hotel

C G
And it start to play our song

Em C
Oh Lord it takes me bad, I'll never have an other like that
Am C
I admit that I was blind, Now I do at this time

G Am C G
And it's got to be lonely, No one and lonely, Leaves you alone
G Am C G
Now I'm just waiting, You to be sayin' You're coming home

G Am C G
And it's got to be lonely, No one and lonely, Leaves you alone
G Am C G
Now I'm just waiting, You to be sayin', That you're coming home
