

Capo IV

option: 

Me and Bobby McGee

Janis Joplin

Busted flat in baton rouge waitin' for the trains

Feelin' nearly faded as my jeans

Bobby thumbed a diesel down just before it rained

Took us all the way to New Orleans

I took my harpon out of my dirty red man deny

And was blowin' sad while bobby sang the blues

Windshields wipers slappin' time and holds bobby's hands now

We sang every song that the driver knew.

Freedoms just another word for nothing left to lose

Nothing ain't worth nothing but it's free

Feeling good was easy lord when bobby sang the blues

And feeling good was good enough for me

Good enough for me and bobby mc gee.
