A A
So let loose the talk of love

G BM
Before they outlaw the kiss

A A
Baby, give me one last hug

G
There's a moment I've been chasin

BM A A
And I finally caught it out on This floor

G
Baby, theres no hesitation,

BM A A
No reservation by taking a chance And more, noo, because

G BM A
It's like an angel came by, and Took me to heaven

G BM
Cuz when i stare in your eyes,

A
It couldn't be better.

G
Let the music blast

BM
We gon' do our dance

A
Bring the doubters on

A
They don't matter at all

G
Cuz this life's too long

BM
And this love's too strong

A
So baby know for sho'
A (hold)

I'll never let you go

G BM
I got my favorite girl

A A
Not feelin' no pain, no fear

Oh no, don't have a care in the World
Why would I, when you are here

There's a moment I've been chasin
And I finally caught it out on This floor
Baby, theres no hesitation,
No reservation by taking a chance And more, noo, because

It's like an angel came by, and Took me to heaven
Cuz when i stare in your eyes,
It couldn't be better.

Let the music blast
We gon' do our dance
Bring the doubters on
They don't matter at all
Cuz this life's too long
And this love's too strong
So baby know for sho'

There's a moment I've been chasin
And I finally caught it out on This floor
Baby, theres no hesitation,
No reservation by taking a chance And more, noo, because

So take my hand, let's just dance
Watch my feet, follow me
Don't be scared, girl I'm here
