Theory of a Deadman - Not Meant to be

Gtr ①

Intro: ‖ Bm | A | G | ⅟. | Bm | A | Em | | | 2X

```
Bm              A           G         ⅟.
It's never enough to say I'm sorry
Bm              A           G         ⅟.
It's never enough to say I care
Bm              A           G                   ⅟.
But I'm caught between what you wanted from me,
                Bm
and knowing If I give that to you
A                       G        ⅟.
I might just disappear.

Em              ⅟.              G         ⅟.
Nobody wins when everyone's losing

Oh, it's like

D                       ⅟.
One step forward and two steps back
A                   ⅟.
No matter what I do you're always mad
Em          ⅟.          G        ⅟.
And I can't change your mind,

Oh, it's like

D                           ⅟.
Trying to turn around on a one way street
A                           ⅟.
I can't give you what you want And it's killing me
Em          ⅟.              G
And I, I'm starting to see
    ⅟.
Maybe we're not meant to be     Bm   A   G  ⅟.  Bm   A   Em

Bm              A               G         ⅟.
It's never enough to say I love you
Bm              A               G         ⅟.
No, it's never enough to say I try
Bm                  A               G               ⅟.
It's hard to believe that's there's no way out for you and me
Bm                  A               G         ⅟.
And it seems to be the story of our life

Em          ⅟.                  G        ⅟.
Nobody wins when everyone's losing

D                               ⅟.
It's like one step forward and two steps back
A                   ⅟.
No matter what I do you're always mad
Em          ⅟.              G        ⅟.
And I can't change your mind, oh

It's like
```

Theory of a Deadman - Not Meant to be

```
D                      '/.
trying to turn around on a one way street.
A                            '/.
I can't give You what you want and it's killing me
Em       '/.              G
And I, I'm starting to see
    //.
That maybe we're not meant to be

A                          '/.
There's still time to turn this around
Em                   '/.
Should we be building this up
Instead of tearing it down
A
But I keep thinking
    '/.         Em              G
Maybe it's too late.

It's like

D                       '/.
One step forward and two steps back,
A                            '/.
No matter what I do you're always mad and I
Em      '/.             G          '/.
Can't change your mind, oh It's like

D                       '/.
tryin to turn around on a one way street
A                            '/.
I can't give you what you want And it's killing me
Em      '/.           G      '/.
And I, I finally see,
Baby we're not meant to be

It's like

D                       '/.
One step forward and two steps back,
A                       '/.
No matter what I do you're always mad and I
Em      '/.             G
Baby I'm sorry to see
    '/.                          D
Maybe we're not meant to be  ‿
```
