C  
Shed a tear 'cause I'm missin' you

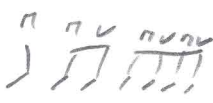

G  
I'm still alright to smile

A D  
Girl, I think about you every day now

C  
Was a time when I wasn't sure

G  
But you set my mind at ease

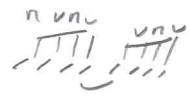

A D  
There is no doubt, You're in my heart now

C G C E  
Said, woman, take it slow, It'll work itself out fine

C G D  
All we need is just a little patience

C G C E  
Said, sugar, make it slow, And we come together fine

C G D (patience) Mm, yeah

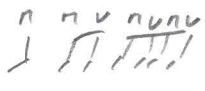

C G  
I sit here on the stairs, 'Cause I'd rather be alone

A D  
If I can't have you right now, I'll wait, dear

C G  
Sometimes I get so tense, But I can't speed up the time

A D  
But you know, love, There's one more thing to consider

C G C E  
Said, woman, take it slow, And things will be just fine

C G D  
You and I'll just use a little patience

C G C E  
Said, sugar, take the time, 'Cause the lights are shining bright

C G D  
You and I've got what it takes, To make it,
