She hangs her head and cries in my shirt
 She must be hurt very badly
 Tell me what's making you sadly
 Open your door don't hide in the dark
 You're lost in the dark you can trust me
 Cause you know that's how it must be

 Her eyes like windows trickeling rain
 Upon her pain getting deeper
 Though my love wants to relieve her
 She walks alone from wall to wall
 Lost in a hall she can't hear me
 Though I know she likes to be near me

Lisa, Lisa, sad Lisa, Lisa

Em *D* *C*
 She sits in A corner by the door
 There must be more I can tell her
 If she really wants me to help her
 I'll do what I can to show her the way
 And maybe one day I will free her
 Though I know no one can see her

Lisa, Lisa, sad Lisa, Lisa
