

Santa Monica - Theory of a Deadman

Intro:

~~the harmonics in the intro are 12th fret E string, B string; then 7th fret G string, B string.~~

Harmonics....Em....Harmonics....G....Harmonics....D....harmonics...Csus2 % HARM - - - - -

①

Em | Bm | G | D C |

She fills my bed with gasoline, you think I would've noticed

Em | Bm | G | D C |

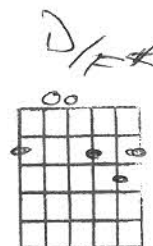

Her mind's made up, the love is gone I think someone's trying to show us a sign

Em | Bm | G | D C |

That even if we thought it could last, the moment would pass

Em | Bm | G | D C |

My bones will break and my heart will give, oh it hurts to live

Chorus:

Em % G % D %

I remember the day, when you left for santa monica,

Csus2 % Em %

You left me to remain with all your excuses for everything

G % D %

I remember the time, when you left for Santa Monica

Csus2 %

I remember the day you told me it's over.

Em - HARM - G - % HARM -

The 2nd verse

Reprendre complet ①
