Its 72 degrees, zero chance of rain

Its been a perfect day G D

D Em C
Were all spinning on our heels, so far away from real

G D
In California

A % C % Am

We watched the sunset from our car, we all took it in

% C D
And by the time that it was dark, you and me had something, yeah

Chorus

G % D % Em

And if this is what weve got, then what weve got is gold

% C %
Were shining bright and I want you, I want you to know

G % D % Em

The mornings on its way, our friends all say goodbye

% C %
Theres nowhere else to go, I hope that youll stay the night

G % D % Em
Oooh youll stay night

% C %
oooooooooh yeah

D % Em % C

Weve been singing Billie Jean, Mixin vodka with caffeine

% G D

Weve got strangers stopping by

D % Em % C

And though youre out of tune, Girl you blow my mind, you do

% G D

And Ill say I dont wanna say good night

A % C % Am

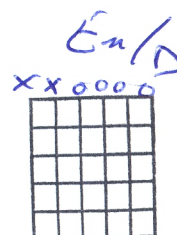

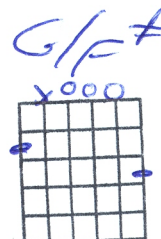

Theres no quiet corner to get to know each other

% C D

And theres no hurry Im a patient man As youll discover

Chorus

G / D Em
 And if this is what weve got, then what weve got is gold
 / C /
 Were shining bright and I want you, I want you to know
 G / D Em
 The mornings on its way, our friends all say goodbye
 / C /
 Theres nowhere else to go, I hope that youll stay the night
 G / D / Em
 Oooh youll stay night
 / C /
 oooooooooh yeah

 Just like the song on our radio set
 A | C | G G/F# | Em Em/D |
 Well share the shelter of my single bed
 A | C | G G/F# | Em Em/D | C | / |
 But its a different tune thats stuck in my head
 D /
 And it goes

Chorus

G / D Em
 And if this is what weve got, then what weve got is gold
 / C /
 Were shining bright and I want you, I want you to know
 G / D Em
 The mornings on its way, our friends all say goodbye
 / C /
 Theres nowhere else to go, I hope that youll stay the night
 G
 Oooh youll stay night
 oooooooooh yeah
