Thank you for loving me – Bon Jovi

It's hard for me to say the things, I want to say sometimes

There's no one here but you and me, And that broken old street light

Lock the doors, We'll leave the world outside

All I've got to give to you, Are these five words when I

Chorus:

Thank you for loving me

For being my eyes, When I couldn't see

For parting my lips, When I couldn't breathe

Thank you for loving me

Thank you for loving me

I never knew I had a dream, Until that dream was you

When I look into your eyes, The sky's a different blue

Cross my heart, I wear no disguise

If I tried, you'd make believe, That you believed my lies

Chorus:

Thank you for loving me

For being my eyes, When I couldn't see

For parting my lips, When I couldn't breathe

Thank you for loving me

You pick me up when I fall down

You ring the bell before they count me out

If I was drowning you would part the sea

And risk your own life to rescue me
