E Lookin like if you had your wish

When your broken heart is on the mend

2nd Verse

Every night it's the same old crowd
In smokey rooms
You catch a faint glimpse of love sometimes
But it never blooms
I've been around this block
A time or two
And I've made some big mistakes
But girl I promise you, I promise you

Chorus

Bridge:

B/A

Time time ticking, ticking away

B

Time time ticking, ticking away

3rd Verse

People inside their houses
With the shades pulled down
God knows we could use some romance
In this sleepy bedroom town
I know you're still afraid
To rush into anything
But there're just so many summers
And just so many springs

Chorus and End
