

Where the street have no name

U2

D

I want to run, I want to hide

G

I want to tear down the walls that hold me inside

Bm

A

I want to reach out and touch the flame

C(add9)

Where the streets have no name

D

I want to feel, sunlight on my face

G

See that dust cloud disappear without a trace

Bm

A

I want to take shelter from the poison rain

C(add9)

Where the streets have no name

D

Where the streets have no name

D

Where the streets have no name We're still building

G

G

Then burning down love - burning down love

Bm

A

D

And when I go there, I go there with you... It's all I can do

D

The city's a flood and our love turns to rust

G

We're beaten and blown by the wind - Trampled in dust

Bm

A

I'll show you a place high on the desert plain

C(add9)

Where the streets have no name

Where the streets have no name

Where the streets have no name We're still building

Then burning down love - burning down love

And when I go there, I go there with you... It's all I can do

Our love turns to rust

And we're beaten and blown by the wind Blown by the wind

Oh and I see love

See our love turn to rust

And we're beaten and blown by the wind

Blown by the wind

Oh when I go there, I go there with you

It's all I can do
