FATHER AND SON

Cat Steven

Intro: 

It's not time to make a change, just relax take It easy
 You're still young, that's your fault,
 There's so much you have to know
 Find a girl, settle down, If you want you can marry
 Look at me I am old, but I'm happy.

I was once like you are now and I know that It's not easy
 To be calm when you've found something going on,
 But take your time, think a lot
 Think of everything you've got for you
 Will still be here tomorrow but your dreams may not.

How can I try to explain? When I do he turns away again.
 It's always been the same, same old stories.
 From the moment I could talk I was orderd to listen
 Now there's a way and I know that I have to go away
 I know, I have to go.
