They left before the sun came up that day

An exit to eternal summer slacking

They drank up the wine

Am

And they go to talking

B7

They now had more important things to say

E

And when the car broke down they say started walking

Em

B7

where were they going without ever knowing the way ?

Anyone could see the road that they walk on is paved in gold

You can see their shadows wandering off somewhere

The children woke up

And they couldn't find'em

They left before the sun came up that day
