Trouble, oh, trouble set me free, I have seen your face,

**Am C**

And it's too much, too much for me

You're eating my heart away,

**Am C**

And there's nothing much left of me

**A F D E A G D G D**

I've-----drunk your wine, you have made your world mine,

**Am C**

So won't you be fair, so won't you be fair?

**E A G D**

I-----don't want no more of you,

**G D Am C**

So won't you be kind to me? Just let me go where, I have to go there

Trouble, oh, trouble move away, I have seen your face,

**Am C**

And it's too much for me to-day,

**G**                    **D**                    **Am**                    **C**  
Trouble, oh, trouble can't you see    you have made me a wreck ?

**Am**                    **C**  
Now, won't you leave me in my miser-y ?

**A F D E**    **A**    **G**                    **D**                    **G**                    **D**  
I've-----seen your eyes, and I can see death's dis-guise

**Am**                    **C**  
Hanging on me, hanging on me

**E A G**                    **D**                    **G**  
I'm-----beat, I'm torn, shattered and tossed,

**D**                    **Am**                    **C**  
I'm worn too shocking to see, too shocking to see

**G**                    **D**                    **Am**                    **C**  
Trouble, oh, trouble move from me,    I have paid my debt,

**Am**                    **C**  
Now won't you leave me in my miser-y ?

**G**                    **D**  
Trouble, oh, trouble, please, be kind,

**Am**                    **C**                    **Am**                    **C**  
I don't want no fight, and I haven't got a lot of time
